

EURAXESS UK is part of the wider **EURAXESS network**, established by the European Commission to help support researchers' mobility between countries & career development

The British Council represents EURAXESS for the UK, funded by Department for Science, Innovation and Technology

All EURAXESS services are free to access

EURAXESS

WHO

A network of National Organisations (often called Bridgehead Organisations - BHOs) & Service Centres for researchers and research organisations

WHAT

- 43 country hubs (with individual portals offering country specific advice); 9 worldwide hubs
- Pan European portal with career development & jobs, funding and hosting database
- 640+ Service Centres offering tailored advice

WHEN

Launched 20 years ago (formerly known as ERA-MORE)

WHERE

- Wider Europe (43 countries)
- Worldwide (9 hubs: Africa, ASEAN, Brazil, China, India, Japan, Latin America and the Caribbean, Korea and North America)

WHY

- Remove the barriers to researchers' mobility & support career development
- Create conditions for open, transparent, merit-based recruitment
- Promote cooperation between research performing organisations
- Foster attractive careers across Europe and beyond

AO Research Institute Davos

Looking for MSCA Postdoctoral Fellowship candidates (MSCA-PF-2024): Biofabrication, Bioprinting, Biomaterials, Tissue Engineering, 3D invitro models, Regenerative Medicine, Orthopedics

The current Expression of Interest is intended for searching post-doctoral candidates with interest in applying for the Marie Skłodowska-Curie GLOBAL Postdoctoral Fellowship 2024 (HORIZON-TMA-MSCA-PF-GF) at AO Research Institute Davos (ARI, Switzerland) as Host Institution for the

Marie Skłodowska-Curie Actions (MSCA)

MSCA and Horizon Europe **requires Doctoral Network and COFUND projects** to publish the **adverts** for their positions on the EURAXESS portal. If the projects are audited, auditors have been asked to check whether these job ads have been published. It is advised to take screenshots of the advert for this reason.

For **Postdoctoral Fellowships**, researchers are *recommended* to look on EURAXESS for **hosting offers** from organisations. The researcher will then develop an application jointly with their chosen host organisation.

The screenshot shows the EURAXESS website interface. At the top left is the British Council logo. A 'Log in' button is circled in red at the top right. Below the navigation bar, a banner features the UK logo and the EURAXESS logo with the tagline 'RESEARCHERS IN MOTION'. Below the banner, the text 'Welcome to EURAXESS in the United Kingdom' is displayed. Further down, the European Commission logo is visible, along with another 'Log in' button and a search bar. The main content area includes the EURAXESS logo and the tagline 'RESEARCHERS IN MOTION'.

You will need to register for a EURAXESS account to post opportunities. You can register at either:

UK portal:
<https://www.euraxess.org.uk/>

or

Network portal:
<https://euraxess.ec.europa.eu/>

Help

Manage your user profile and account

Efficiently manage your personal and contact details on the EURAXESS platform, ensuring optimal visibility and accessibility for other users, researchers, and organizations. Learn how to update your account email and password, customize notification settings, manage your favorites and saved searches, and create or modify researcher or organization profiles. Additionally, find out how to delete your account and export your personal information stored within EURAXESS, maintaining full control over your data and online presence.

[Help on your profile and account information](#)

Manage your Organisation Profile

Utilize the EURAXESS platform to efficiently post job offers, funding opportunities, and hosting offers for your organisation, department, or laboratory. As an organisation user, you can manage members, create offers, update your organisation profile and more.

By leveraging the EURAXESS platform, you can enhance your organisation's online presence and visibility, ultimately facilitating growth and success in the European research community.

Create your organisation profile

From the "My EURAXESS" page you can:

- Join an existing organisation based on your email.
- Use the search page to search for an organisation to join.
- Register a new organisation if you cannot find the organisation you are looking for.

Join an existing organisation, by selecting the one you represent as it is shown on the "Join an organisation" list.

Note that the listed organisations are based on your email.

In order to be added as a member:

- Select the organisation you represent.
- Click on the "Join" button.
- Confirm your selection.

Search for an organisation, if the organisation is not listed, by selecting the "Search/Register" option on the right of the page.

Provide the "Organisation Name", "Department" (optional), "Laboratory" (optional) and the website "Uri" of the organisation. Then click "Search".

Note that you need to provide the url starting with "http://" or "https://"

- **If a match is found**, you can ask the administrator to add you as a member, by selecting the "Contact the Organisation Admin" option.

Job offers

Create offer posting

Every organisation member can add a new offer posting on behalf of the organisation he/she belongs to.

You can access this option either by the **More** dropdown menu in **My Organisation(s)** section in **My EURAXESS** page or by the **Add** button links at the top of your Organisation page. You need to fill the following sections:

Basic information

This section is **mandatory**. You need to fill in all required fields in order to save and publish your offer.

The fields you need to complete are:

- **Title:** The title that will appear in your job offer (limit 255 characters).
- **Offer description:** The description of your offer. You can use the editor's toolbar in order to make your description more attracting. Use bold, lists and headings to highlight the points you want. (limit 10000 characters).
- **Researcher Profiles:** This classification aims to communicate the various characteristics that researchers may have throughout their career. It describes four broad profiles that apply to all researchers, independent of where they work in the private or public sector: in companies, NGOs, research institutes, research universities or universities of applied sciences. Regardless of any particular profession one can outline broad profiles that describe the different characteristics researchers may possess:
 1. First Stage Researcher (R1) - PhD candidate or equivalent. Early stage researcher with less than 4 years FTE research experience
 2. Recognised Researcher (R2) - PhD holder or equivalent, not yet fully independent. Experienced Researcher with more than 4 years FTE research experience or has a doctoral degree
 3. Established Researcher (R3) - Established Researcher with a developed level of independence. Experienced Researcher with more than 4 years FTE research experience or has a doctoral degree
 4. Leading Researcher (R4) - Leading his/her research area or field
- **Research fields:** Select the research fields the offer involves. You can select a main research field and then a sub research field (leave it blank if you do not want to mention a sub field). Then click "ADD RESEARCH FIELD". You can add as many research fields as needed.
- **Type of Contract:** Permanent, Temporary or Other.
- **Job Status:** Full-time, Part-time, Other or Not Applicable for example for fellowships.
- **Application Deadline:** The date up to which applications will be accepted. When the offer is expired, it will not appear in the results any more.
- **Is the job funded through a EU Research Framework Programme?:** Select the framework contract financing the offer. If you select a Marie Skłodowska-Curie Programme you need also to specify the Marie Skłodowska-Curie Grant Agreement Number.
- **Add destination countries for fellows?:** For COFUND EU research framework programmes where a specific work location is not available, regions or countries may be selected as destination for fellows. To enable this option select a research framework that includes the "- COFUND" acronym in its description and check the "Add destination countries for fellows" check box. Then from the drop down list, below the checkbox, select the "Destination country/ies for fellows". You may select one or more

EURAXESS Network Biennial Conference in Poland in June

EURAXESS Member benefits

- ❑ Increased visibility as a EURAXESS Network member institution 

- ❑ Participation in EURAXESS Network events: trainings, conferences, study visits, seminars; EURAXESS conferences, working groups, online knowledge sharing activities 

- ❑ Use of information and training material developed within the EURAXESS Network 

- ❑ Use of the EURAXESS logo 

- ❑ Guidance and support from the EC and EURAXESS National Organisations (ENOs) 

- ❑ Eligibility for participation in European Commission (EC) EURAXESS-funded projects (restricted calls for proposals) 

- ❑ Access to the EURAXESS Extranet, the internal communication platform and resources library of the EURAXESS Network 

- ❑ Networking opportunities worldwide 

Plans for EURAXESS UK

From June '24:

- Upcoming webinar 27 June with Horizon Europe MSCA recipients on positive experiences coming to UK
- Future webinar with more in-depth information on UK research landscape, with panel including researchers that came to UK in recent years for Q & A
- Future information on visas, with success rates and personal experiences
- Future episode on EURAXESS Smart Talks podcast

Come and join our webinar
to hear more!
